## F E A T U R E S

The **ENTRY 4500 Laminating/Mounting machine** offers carefully designed features intended to quickly get you up and profitably running without the added expense of more advanced machines. The easy-to-use design makes the operator's job simpler with features such as:

- Top and bottom heat
- Electronic heat control with LCD readout
- Variable speed
- Forward/reverse switch
- 3 7/8" (9.84cm) diameter silicone heated rollers
- Clear polycarbonate safety shield
- Emergency stops on both sides
- Mounting capability up to 1/2" (12.7mm)
- Optional take-up roller for pressure-sensitive liners
