BANNER AMERICAN PRODUCTS AND TECHKO INC. ANNOUNCE NORTH AMERICAN MARKETING AGREEMENT FOR OFFICE AND SECURITY PRODUCTS

(Temecula, CA and Irvine, CA, March 5, 2007) ... Banner American Products, Inc., Temecula, California, a leading manufacturer and distributor of office equipment for home and office today announced the company has entered into an exclusive marketing agreement with TECHKO Inc. of Irvine, California. Under the agreement, Banner American Products will become lead brand marketer for TECHKO Inc. serving the North American market.

Under the terms of the agreement, Banner American Products will market TECHKO's full line of shredders, desktop workstations, laminators, thermal binders, power erasers, letter openers, staplers and sharpeners under its QuikFinish™ brand. Banner American Products will market TECHKO's home safety and security products, letter folders and hole punch machines under the TECHKO brand. TECHKO will continue to sell direct import accounts.

TECHKO, established in 1982 is a global manufacturer and marketer of a wide variety of home security and office products. A number of its innovative products have not only stimulated market growth, but in some cases created new product categories. It has created a reputation for innovation through its introduction of several patents and trademarks.

According to Joseph Ko, Chairman and CEO, TECHKO Group, "We are thrilled about our relationship with Banner American Products. This is a mutually beneficial marketing agreement that allows us to leverage each other's commitment to lead the industry in innovation, productivity and quality office equipment."

Financial details of the agreement were not made available but representatives from both companies stated the agreement would include pre- and post-sales activities, such as product presentations, product fulfillment, after sale service, trade show participation and customer events.

According to Alan Parkhill, President, Banner American Products, "TECHKO has proven to be a leader in innovation. The number of patents and trademarks brought to market by the company is truly outstanding. We are proud to combine the products of this fine company into our nationwide marketing distribution system and service support."
