BANNER AMERICAN PRODUCTS INTRODUCES TANDEM+ Desktop Design Tool Laminates and Binds Documents

(Temecula, California)- Banner American Products, a leading manufacturer of pouch and roll laminators is proud to introduce the Tandem+ Deluxe Personal Laminator / Document Binder. Described as the ultimate all-in-one desktop creative tool, the Tandem+ incorporates a two roller pouch laminator along with a thermal binding station and cooling station. It is the only machine on the market that will do both laminating & thermal binding. Tandem+ is perfect for laminating and protecting important documents up to 9" wide and 5 mils in thickness. It will also bind up to 120 (approximately 1/2") of letter size or A4 size sheets. The product can be used for professionally finishing a number of graphic presentations, such as, signs, POP displays, certificates, posters, countertop signs, menus, luggage tags, and more. The Tandem+ Deluxe Personal Laminator / Document Binder, with a suggested retail price of \$199.00 is a perfect desktop laminator for the small office/home office, school class room, business office, on-demand, and in-plant markets. For more information regarding this product, contact: Alan Parkhill, Vice President Sales & Marketing, Banner American Products, Inc. at marketing@banam.com or 951-296-9780.
