NEW PERSONAL GUARD ALARM SYSTEM PROVIDES LIFE SAVING HELP

90 Decibels of Ear Piercing Noise Alerts Others For Help!

(Temecula, California) ... Banner American Products, Inc., a global manufacturer and marketer of a wide variety of home security and office products introduces its new Personal Guard. This product is designed to provide potential life saving alert in cases of medical or emergency situation. Personal Guard's piercing 90 decibel alarm signals need for help no matter where the person may be at the time of need. Easy to use in the most difficult situations, the Personal Guard's small, ergonomic ultra-thin size conveniently fits in hand, purse or included belt clip and is activated by pressing the panic button or pulling the alert activation pin. The Personal Guard is a person's perfect weapon for personal safety and an emergency. Banner American Products, Inc. in support of the Susan G. Komen Foundation is donating a percentage of the product's sales to this cause.

For more information on the Personal Guard or other fine products available through Banner American Products visit www.banam.com or call 800-572-2144.
